

Color flash cards

Print this page on a color printer.
Use it as a sample to color the
frames on the next (below) page.
Each student is given the frames
(on the next page) and asked to
color the correct colors.

Students take home the colors to
practice color naming at home.

Color flash-card frames

Print this page and give a copy to each student. Students color each of the frames and cut out each of the colored frames. Students use the flash cards to learn how each of the colors is called in Afaan Oromoo.

Who uses the flash cards?

- # Peer to peer learning (P2P).
- # Parents with students.
- # Qubee teachers with students.
